

IN THE SPECIFICATION

Please amend the specification as follows:

[0023] Figure 1: A sectional view taken through line 1/2-1/2 of FIG. 4, showing of an embodiment of a door module with a power window lift drive instead of ~~the power~~ a manual window lift drive;

[0024] Figure 2: The door module of Figure 1 with a manual window lift drive instead of the power window lift drive;
